

Report for Week Ending 11 June 1958
from
Forms Management Branch

1. Contributions

a. Tangible

- (1) Completed 20 actions⁶ requiring the printing of 1,132,850 copies or sets of blank forms. This represents a decrease of 7 actions and an increase of 980,800 copies or sets as compared to last week.
- (2) Seven new and five revised forms were approved.
- (3) Five forms were made obsolete.

b. Intangible

- (1) Turned down an employee suggestion recommending perforated address chain-type routing tags on envelopes to lengthen the envelope's life span. Refinement of the chain envelope and the courier receipt will serve the same purpose better.
- (2) Made minor revisions in the Teletyped Information Report Forms 1 K, 1 K-1 and 1 K-2, Coordinated with DD/P and processed for procurement. 25X1A9a
- (3) Continued liaison with Messrs. [REDACTED] 25X1A9a
[REDACTED] on the Forms [REDACTED] Coordin- 25X1C4a
ation on individual forms is functioning satisfactorily.
